

You **don't** have to be a contractor
or building expert to attend!

BUILD IT ^{2 0 0 9} RIGHT

Monday, Nov. 23

Saturday, Dec. 5

9 a.m. - 3 p.m.

Iowa Central Community College

Biosciences and Health Building

and Carpentry Shop

330 Ave. M, Ft. Dodge

Bill McAnally,

energy-efficient building expert,
will be the workshop leader. Learn about:

- **Building or remodeling - energy efficiency options**
- **Green construction materials, technologies and building techniques**
- **Energy Star heating, cooling, lighting and appliances**

Save money, increase the comfort of your home
and **make the best use of our natural resources.**

Please register for *either date* by contacting your local Touchstone Energy Cooperative or visit **build-it-right.com**
